

ASP SET OPPORTUNITY DAY

Nov 21, 2018

Highlights

1. EXECUTIVE SUMMARY

- 2. COMPANY OVERVIEW
- **3. FINANCIAL PERFORMANCE**

OUR VISION

Being a <u>leader in diverse and innovative</u> <u>investments</u> with outstanding potential under the rapid changes that come with the age of globalization.

OUR MISSION |

Expanding an investment base in various businesses to acquire balance and sustainability.

Serving as center of excellence in financial product innovations to subsidiaries, customers, and the general public.

Equipping the organization with the effective information management system.

<u>**Creating</u>** the organizational culture that connects company's performance and employees' objectives.</u>

<u>Staying</u> ahead of change and competition.

OUR STRENGTHS

OUR VALUES

Good Governance We believe in and support honest intention and behaviors in all we do, by ensuring good governance and transparency for building long term relationships, trust and credibility with stakeholders.

Responsive We strive for strong team collaboration to achieve corporate success as a whole by actively responding to the needs of our clients and stakeholders.

<u>Accountability</u> We take corporate accountability amongst team and ASP Group as our own responsibility.

<u>**Creativity**</u> We enhance capabilities by leveraging all knowledge base for our business to create ASP Group's uniqueness as an "Investment Advisor of Choice".

Enthusiasm We are committed and proactive towards our work. We are highly motivated and passionate in driving ourselves and the team to achieve goals. 6
